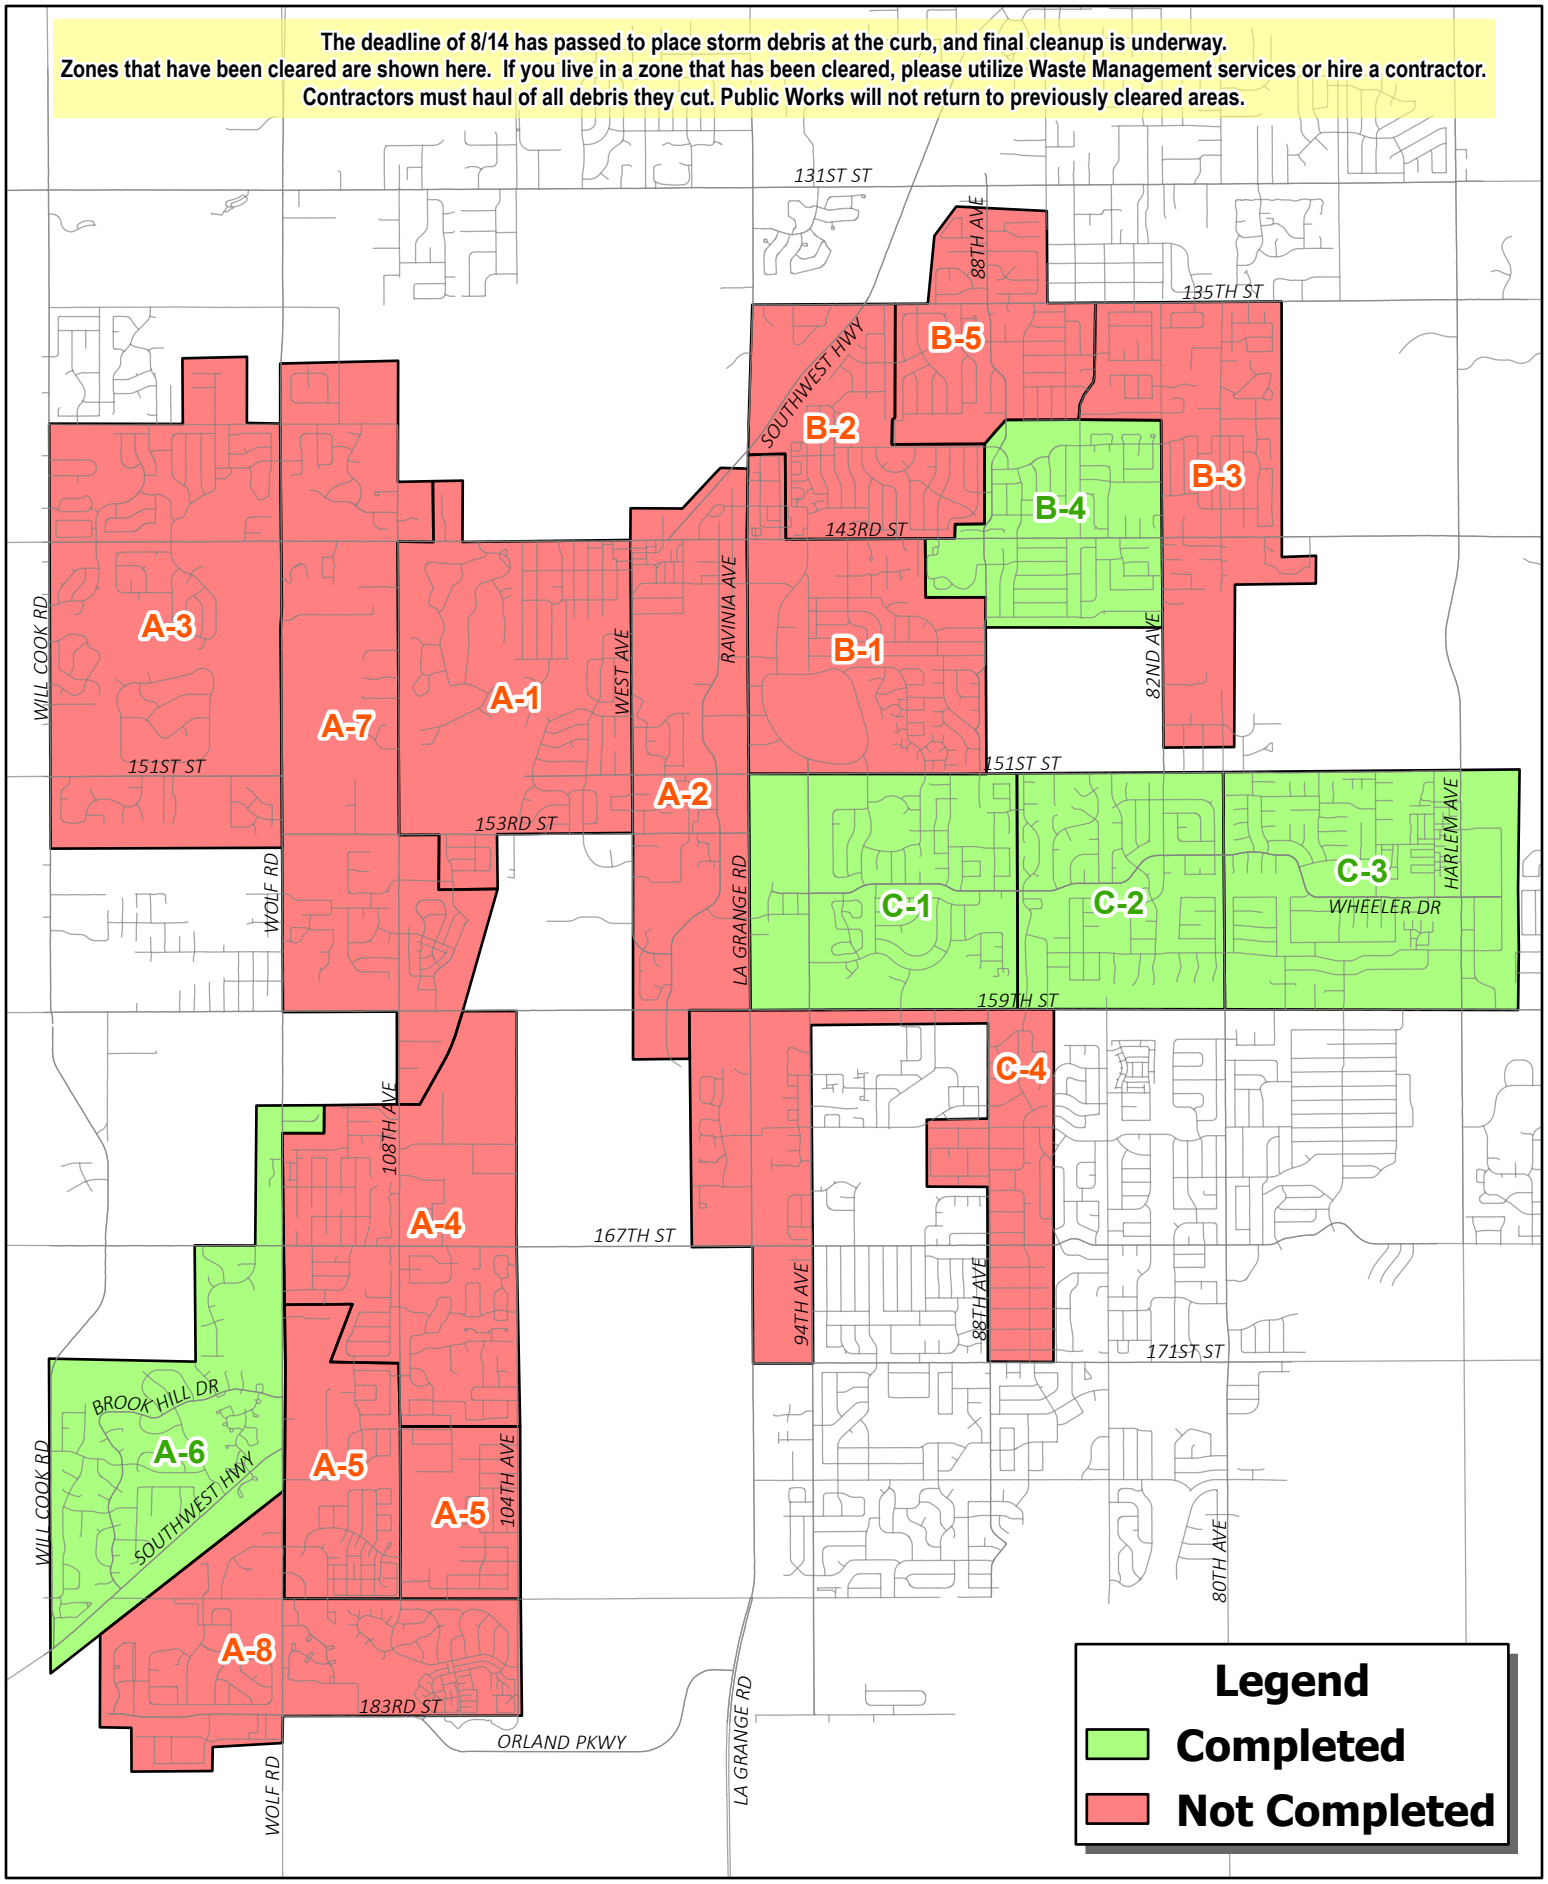
The deadline of 8/14 has passed to place storm debris at the curb, and final cleanup is underway.
Zones that have been cleared are shown here. If you live in a zone that has been cleared, please utilize Waste Management services or hire a contractor.
Contractors must haul of all debris they cut. Public Works will not return to previously cleared areas.



Village of Orland Park, IL
Storm Clean-Up Zones
Current as of August 17th, 2026
